JULY 2003

Mr.LongArm is pleased to introduce the new Soft Grip TELE-ROLLER®. The Soft Grip TeleRoller extends to easily reach 8' ceilings and walls. TWIST-LOK® extension pole locks and unlocks with a simple twist. Soft foam covers the entire handle and provides a comfortable grip which reduces fatigue. Heavy-duty five wire roller cage fits standard 9" roller covers.

Model #0089 – 9" Soft Grip TELE-ROLLER®
